## LYNCHED BY A MOB.

Terrible Scenes Enacted in Urbana, Ohio.

## TWO MEN KILLED BY SOLDIERS

While Defending the Black Brute From the Mob.

## THE RAPIST MEETS DEATH AT LAST.

Urbana, O., June 4.—Click Mitchell, the negro who was yesterday sentenced to 20 years in the penitentiary for an assault on Mrs. Gaumer, was hanged this morning by a mob. The troops left the jail for a few minutes and the mob discovering the fact charged in and dragging the brute forth, hanged him to the first tree.

Urbana, O., June 4.—This city is this morning in a fever of excitement. Two citizens are dead and seven are dangerously wounded as a result of the attempt last night to lynch a negro rapist.

Mitchell was sentenced last night to 20 years imprisonment. Owing to the intense indignation of the people, the court room was guarded by soldiers, and the jail also, when the convicted prisoner was taken there. All night excited thousands of people surrounded the jail, only held in check by the presence of the militia. Shortly after midnight the mob attacked the jail and were met by fire from the soldiers. The following are the killed and wounded:

**KILLED.**  
Harry Bell, shot through the head.  
F. Fagin, shot through the body.  
**WOUNDED.**  
Dr. Chas. Thompson, North Lewisburg, shot in head.  
West Bowen, of Cable, shot in hip.  
Ray Dickerson, shot in shoulder.  
Denn's Graney, shot in leg below knee.  
Sack Wann, shot in arm.  
Sherman S. Denton, shot in hip.  
Ray McClure, shot in arm.

## STAY OF EXECUTION DENIED

But an Appeal Will Delay Theodore Durant's Execution.

San Francisco, June 4.—Attorneys for Theodore Durant, again appeared before Judge Gilbert in the United States circuit court yesterday and applied for a stay of the execution of the prisoner, but this was denied by the court. An application for leave to appeal from this decision to the Supreme Court of the United States was then granted. Although it is an open question whether, in view of the denial of the writ of superseas, the order of the court acts as a stay of proceedings, Attorney General Fitzgerald told Wardley Hale to take no action in the premises pending the appeal. As the United States Supreme Court does not meet again until October next, this virtually means a respite for six months at least.

## NINETY-SEVEN YEARS OLD.

Mrs. Polly Calvert, a Notable West Kentucky Woman, Dead at Princeton.

Princeton, Ky., June 4.—Mrs. Polly Calvert, aged ninety-seven, died here yesterday evening of old age. She was one of the most remarkable women in this section of the state and had been a striking figure in its development and the history of West Kentucky. She was a native of South Carolina, but has resided in Caldwell county eighty-four years.

## TOBACCO BEDS DESTROYED.

Regulators Warn An Anderson County Man to Raise No Tobacco.

Lawrenceburg, Ky., June 4.—The "regulators" have begun their dictation to tobacco raisers in this county. Their first visit was to the Jordan Carter farm, three miles from Lawrenceburg, where they tore up all the plant beds belonging to George D. Woodruff, who lives on the Carter place. The tobacco plants were about ready for setting, but the work of the midnight gang was complete. They left a notice which read: "This is to notify you that we don't want you to raise no tobacco."

## IN A SPRING WAGON.

Two Kentucky Lovers Drove Sixty Miles to Get Married.

Clarksville, Tenn., June 4.—A handsome pair of Kentucky lovers eloped to this city in a romantic manner. They were Lucius M. Gary and Miss Fannie Cook, both of Lawrenceburg, Muhlenberg county, accompanied by four young friends. They rode away, traveling all night and part of the day in a spring wagon a distance of nearly sixty miles. They were married by Squire Smith in his office at the court house. The party will return home overland in the same manner in which they came.

The Steamer Cowley leaves for Metropolis Sunday, June 7, at 9:30 a.m. and 2 p.m. Round trip, 25c.

## TOOK HER LIFE.

Miss Alma Collins Swallowed an Ounce of Carbolic Acid.

## LIVED AT ARMSTEAD, ILL.

Her Sweetheart Refused to See Her, and She Became Despondent.

## HE IS A NEWSPAPER MAN.

A tragic suicide is reported from Carverville, Ill., over on the Illinois Central. Miss Alma Collins, of Armstead, Ill., took an ounce of carbolic acid, and died later from the effects. Her throat swelled so a stomach pump could not be inserted, and her agony was great until death came.

She was betrothed according to reports, to a newspaper man of Carverville, who broke off his engagement with her yesterday on account of alleged unfaithfulness. She lived at Armstead, below Metropolis, on the Ohio, but was staying at Carverville. After finding out that his sweetheart was untrue to him, the young man refused to have her to do with her. She sent for him to call and get back several presents he had made her, but he paid no attention to her entreaties, and she became despondent and decided to take her own life.

The young man passed through the city today en route to Smithland to recover from the notoriety into which he has suddenly come. There may, however, be sensational developments in a day or two. The young lady was quite well known and her suicide was a great surprise.

She sent a note, it seems, which arrived too late. Had it been delivered sooner to her sweetheart he would probably have gone to her. The boy could not find him, however, until the girl, becoming desperate, took the poison.

## DENIES IT.

Dugan Says He Did Not Kill John Colson, as Charged.

Facts Indicate That a Shot From Above Made the Death Wound.

Pineville, Ky., June 3.—The jail here was guarded the entire night by friends of John Dugan, the alleged slayer of Colson. Some strange characters were seen patrolling the streets at an unreasonable hour during the night, their business asked with no response or explanations offered. Feeling is quite high, and the people seem determined to have all the facts surrounding the murder brought to light.

The prisoner said today that he did not shoot Colson Dugan has not before spoken anything in regard to the killing, and his statement was a surprise, but the facts which come to light from reliable sources support the prisoner.

It is learned from a woman of unquestionable veracity who was close to the place of the difficulty that simultaneously with the first shot there was a flash from a second story window of the building owned by the deceased. It is further shown by the post mortem examination that the bullet ranged downward at an angle of 45 degrees, which justifies the opinion that the shot was from some place above the parties.

It is also stated that the ball extracted from the body of Colson is a .38 caliber, while Dugan used a .44 calibre. The motive for the killing on Dugan's part cannot be gathered from the facts. The exonerating trial is set for Saturday, June 5.

## TWO MEN BURIED ALIVE

In a Big Five Story Building in New York City.

New York, June 4.—A new five story brick building at Fifty-first street and Twelfth avenue collapsed yesterday and two men were buried in the ruins. The rescuing party has not reached them, but it is probable that they are dead. Jacob Jacobson, a millwright, is one of the victims, and an employee of the Otis Elevator Company, whose name has not yet been ascertained, is the other.

## COTTON MANUFACTURING.

North Not Able to Compete with the South in Making Cheap Goods.

Washington, D. C., June 4.—D. W. Haight, a cotton manufacturer of Philadelphia, is in the city. He said: "What thoughtful people have predicted for years in regard to cotton manufacturing in different sections of the United States has at last come about. The evidence is at hand that the Northern mill owners can scarcely any longer compete with Southern factories in the production of the cheaper grades of goods, and recognizing this, the Northern manufacturers will, at no distant day, confine themselves to making the high-priced fabrics. The agent of a big Massachusetts mill lately submitted a report on cotton manufacturing in the south in which he clearly demonstrated the advantages of that section.

He said that a modern brick plant could be built in the South 20 per cent cheaper than in the East; that water power was abundant and cheap, and that coal in some localities in Atlanta cost only \$1.50 a ton, giving steam power at one-half the cost of the average New England mill labor. In the South, he said, could be had from 25 to 50 per cent cheaper, taxes were low, and in many places were remitted for a number of years as an inducement to obtain new industrial enterprises.

"It seems to me that such a statement is full of significance, and the conclusion is that the competition of the Southern mills in cheap grades will compel the Northern concerns to abandon such goods. In fact, this process of evolution is now going on. The New England gingham mills have been compelled to change, and it has been found that they have actually been able to buy in the open market print cloth made in the South at a lower price than they could be manufactured in any New England factory."

## TURKEY THIEVES.

Get Sixty Days Each Before County Judge Tully.

## CONFESSED TO MANY THIEVES.

Writ of Habeas Corpus Sued Out by Ira B. Ritter's Attorney.

## NEWS ABOUT THE COURT HOUSE.

M. H. Wheatley and George Holapple, of near Maxon's Mills, were presented in the county court today on a charge of stealing two turkeys from Mr. Ned Willet. They pleaded guilty and were sentenced to 60 days in the county jail.

After Judge Tully left to write the commitments County Attorney Houser, Justice Hartley, Deputy Jailor Grady and several others held a "Kangaroo" court, and succeeded in pumping to a finish the two prisoners. They confessed to numerous thefts of chickens, hogs, geese, and other things, and in addition to the information extorted from them a great deal of fun was had at their expense. County Attorney Houser will this afternoon swear out warrants against them for perjury, on account of the false statements they made at their examining trial before Justice Hartley.

County Judge Tully stated to a reporter this afternoon that these petty larceny cases are very troublesome. "There have been more of them before me during my three months in office," he said, "than were in the court during the entire eighteen months before. They are hard to contend with, because there is absolutely no return to be had by the county, at whose expense they are handled at the jail. They cannot be worked anywhere, and many of them have been up several times before, and punishment is not dreaded by them.

Ira B. Ritter, who was yesterday sentenced to jail for 60 days by Judge Sanders to await a requisition from Tennessee, was taken out of jail this afternoon on a writ of habeas corpus, sued out by his attorney, Col. R. T. Lightfoot, and is on trial before Judge Bishop.

Ritter is also wanted in Chicago, where he is charged with embezzling \$2200, and was indicted there.

## INDIANS AROUND THE CHEYENNE AGENCY THREATENING TO MAKE TROUBLE.

Miles City, Mont., June 3.—Sheriff Glibb returned last night from the Cheyenne Agency. The situation, he says, is very grave, indeed. He reports 200 or more Indians off the reservation and scattered in the hills. Their war-whoop can be heard frequently and the dancing continues. Old settlers look for trouble. The sheriff's posse, 300 strong, under command of Stock Inspector Smith and Capt. Brown, are now stationed in small numbers in and about the settlements near the reservation to protect the remaining settlers and prevent the destroying of property by the Indians. Indian Agent Stouch would not deliver the prisoner, Badger, up to the sheriff, who called upon to do so, saying he was afraid, or he would escort Badger off the reservation Friday with troops, and deliver him to the authorities. The sheriff placed Capt. Stouch under arrest, but left him at liberty until summoned by County Attorney Porter.

The sheriff also has a warrant for Capt. Reid, who has charge of the troops from Fort Custer, located at the reservation. It is not known among the Indians in the hills that Badger is in the guard house. When this becomes known and he is removed from the reservation it is feared the Indians will make a break to recover him, if possible. If this is done there will be a great loss of life on both sides. The sheriff brought in orders for a large amount of ammunition and a few more of 100 or more will be formed, and accompany him back to the reservation, which he expects to reach Friday night or early Friday morning. County Attorney T. J. Porter has received orders from Gov. Smith that he direct the sheriff to take a posse of all citizens that can be obtained, enroute all means to secure sufficient posse to enforce the service of warrants both on the Indian murderers and Indian Agent Stouch and that the militia will be ordered out if necessary, saying that the law of Montana must be enforced with caution and firmness.

## ANOTHER LYNNING.

Fairfax, Va., June 4.—Jas. Lewis, a negro boy was hanged here today by a mob for assaulting a white woman, Mrs. Reidel.

## BUSINESS CHANGE.

Mr. H. P. Hawkins Sells His Stock of Goods to Mr. J. C. Baker, of Golconda.

Mr. H. P. Hawkins, who has been running the New Rocket store on South Second street, has sold his stock of goods to Mr. J. C. Baker, of Golconda, Ill. Mr. Hawkins has purchased a flouring mill at Shettler's, Ill., and will go there in a few days to take charge of it. It is understood that Mr. Baker will remove his stock of goods to Golconda.

## DIED OF ACCIDENTAL POISONING.

Owensboro, Ky., June 4.—James Tindal, aged 10 years, son of an old soldier residing in a houseboat on the river, took poison accidentally and died at 6 o'clock last night. A coroner's verdict was rendered in accordance with the facts.

## Don't fail to go to Metropolis next Sunday. It will cost you only 25c for round trip. The Steamer Cowley leaves at 9:30 a.m. and 2 p.m.

## THREE CASES INVOLVING TWO DIFFERENT FAMILIES.

Mr. Lockett Will Probably Have to be Sent to the Asylum.

Tomorrow a case that is attracting considerable attention in the Laumont section will come up before Justice Hartley.

Last week Albert Reives and a younger brother were picking cherries from a tree claimed by J. M. Frazier, according to reports. Mrs. Frazier objected and a general disturbance resulted, Albert Reives drawing a gun on Mrs. Frazier, and some very provoking language being used.

Three warrants were served yesterday, one against Albert, who is but 4 years old, for presenting a gun, and one against Mrs. Willie Reives and her son for using insulting language, and also a peace warrant against the two latter.

Mrs. Robt. Lockett of the Maxon's Mill section, who was a victim of spotted fever, is reported as being in a bad condition mentally, and will probably have to be sent to the asylum.

The farmers do not seem to be encouraged by the kind of weather now being dealt out by the weather clerk. They say that a hot day and a cold day, coming close together, do not have a very good effect on crops, and stunt their growth.

## How about crops? A farmer was asked on market this morning.

"Oh, everything's keeping its color, and that is about all I can say," was the reply.

Mr. Richard Bell, the well known dairyman, has fallen heir to \$20,000, according to reports, by the death of a near relative, Mrs. Jesse K. Bell, the wealthy lady who died a few days ago in New Orleans.

It reports are true several other Paducahans, related to the deceased, will receive heritages.

Frank Terrell and Porter Hart, two colored boys, were charged in Judge Sanders court this morning with breaking into Mr. Joe Potter's grocery.

The evidence against Terrell was conclusive, but there was none whatever against Hart, and he was released from custody.

The Terrell boy's mother, who is now wife of Elijah Reeves, and at whose house a large quantity of the stolen goods was found, swore that the boy is 24 years old, although he insists that he is but fourteen, and does not look any older. He appears to be a born criminal, however, and will doubtless be sent to the penitentiary. He was held to answer in the sum of \$200, and Hart was discharged.

He has been in various kinds of trouble at different times since he came to Paducah, but is this case protests his innocence.

Will Smith, colored porter at a Broadway barber shop, was presented in Judge Sanders court this morning on a charge of striking a boy. He was fined \$3 and costs.

### PADUCAH WINS.

Defeats Washington in Three Straight Games.

PADUCAH NOW OUTRANKS CAIRO.

Nashville Drops Out of the League; Decatur, Ill., May Come In.

EVANSVILLE PLAYS HERE SATURDAY.

Paducah has won three straight games. She took both games from Washington yesterday, the first by a score of 4 to 0 and the last by a score of 3 to 1.

There was a good crowd in attendance, and the first game was called at 2 o'clock sharp. Dowling and Stanton was the battery for Paducah during both games, and Miller and Siple for the Washingtons.

Dowling's pitching was faultless, backed up by errorless fielding, and it was the first time Paducah shut out a club during the season. Both games were as pretty contests as one could wish to see, abounding in fast playing and replete with excitement. The game ended with a fine double play of Schlemm to Pears.

The summary for the first game is:

	AB	R	H	PO	A	E
Paducah	2	0	0	1	0	0
Washington	4	1	1	3	1	1
Stanton	1	0	0	0	0	0
Siple	1	0	0	0	0	0
Pears	1	0	0	0	0	0

clown in a base-ball club, and is as hard to rattle as a cedar fence post.

Manager Pears made two rather bad plays yesterday, but owing to his uniform good playing before and after, these are excusable. Once yesterday he held the ball and allowed Washington to score, while on other time he ran up on a mfo on Third and got put out.

Kenny Murray is all right. He has been signed with Paducah.

The Washington team left at noon for Terre Haute, where it will begin a series of three games tomorrow. The Evansville club will arrive to-night via rail and play three games beginning tomorrow.

Nashville's withdrawal from the league will not affect the series of games arranged with Paducah. It will be here on time, but probably will represent Decatur, Ill., by that time.

CENTRAL LEAGUE.

GOOD EYE NASHVILLE.

Nashville, Tenn., June 3.—The team played the last game today. Nashville is no longer a member of the Central League. The financial backing needed was not being furnished. The team will probably be transferred to Decatur, Ill. The score was as follows:

Called at the end of the eighth to enable Terre Haute to catch the train.

## Goods Piled Up

For June Selling—The Goods and Prices Speak For Themselves.

### SUMMER DRESS GOODS.

A determination to make June a great month for selling leads us to do what merchants consider a foolish thing—to cut prices deep, fast and mighty. We do it, and appeal to economical buyers and money savers everywhere.

One assortment of open weave black ground cotton dress goods, with large colored figures, a 20c value, for 12½c a yard.

Beginning the 1st of June, several thousand yards of summer dress goods with black grounds and colored figures will be on sale at half prices. This offering is made up of:

10c goods at 5c  
20c goods for 10c  
25c goods for 12½c  
40c goods for 19c  
10c goods for 5c

a yard. Hunt the city through, and no such values can be found outside of our store.

### MILLINERY

We sell so much that our stock is constantly changing. There are now grouped in our millinery department the choicest things of the season. It's here that the best, the latest and the most attractive headgear is obtainable at fair prices, and here that waiters of the best, the newest and most elaborate creations in millinery should come as naturally as the bees go to the flowers to sip honey. A great stock for June selling will be kept constantly on hand at about half what other dealers would charge. If you have a hat want don't fail to see our stock before you buy.

### SHOES

A special June sale of footwear. If we don't save you money in shoes it is not because we can't but because we won't. We buy leather from the best tanneries, shoes from the strongest manufacturers, who accept figures near cost for the large quantities we handle. We add but a small profit. If we bought shoes in the usual way and added the usual profit, our prices would have to be as high as others' are. From the 1st of June until the 1st of July we will make a special sale of women's Oxford shoes, a splendid line, reliable quality, at prices much below what you have to pay elsewhere. Fifty-nine styles to choose from—some black, some oxford, some chocolate—new toes and common sense. No trashy stuff. Not a shoe in the lot made from kid skins tanned from sheep hides. The prices range from \$1.00 to \$2.00 a pair.

We have cheap house slippers at 25c and 40c a pair.

Will be glad to see you here for your shoe wants.
